

TOWER HOUSE 1066

BUFFET MENU SAMPLE

Below is a 'sample' of one our buffet menus. The menu can be tailored to your individual requirements, and will reflect local seasonal produce where ever possible. And our own kitchen garden, where we are growing a range of vegetable, salad ingredients and soft fruit. Depending on yield we hope to supply as much as possible during the summer and autumn season. We grow as organically as we can and try not to use any chemicals or pesticides. The majority of our meat and fish is locally, sourced and ethically reared.
